

Group Membership (formerly known as Breed Association membership)

ALBC is now offering a **Group Membership**. This special membership level allows breed associations, clubs, societies, or other groups to designate **up to two** individuals from the group to receive ALBC materials. This allows group representatives to stay current on ALBC news and updates.

To secure a Group Membership, please complete the form below. You will need to provide contact information for **EACH** of the individuals who should receive materials. Materials can be sent to different addresses. If you have any questions about this new membership level, contact 919-542-5704.

Groups can still purchase the basic membership package which will just send materials to one designated person.

ALBC is a 501c (3) non-profit organization. All gifts are fully tax-deductible.
