

**FOOD CARDS
DIRECTIONS:**

Activity 1:
Print this page.
Flip over.
Print page 2 on
reverse side of
this page for food
choice by species.
Laminate when
finished.

Activity 2:
Print this page.
Have students
guess/recall the
foods each species
eats for pre- and
post assessment
use with the slide-
show..

Activity 3:
Print two sets of
the cards, front
and back. Students
create a food web,
or two webs and
compare results.
